Consent to take part in research

I have freely volunteered to participate in this evaluation.

I have been informed in advance what my tasks will be and what procedures will be followed.

I have been given the opportunity to ask questions and have had my questions answered to my satisfaction.

I am aware that I have the right to withdraw consent and to discontinue participation at any time, without prejudice to my future treatment.

My signature below may be taken as affirmation of all the above statements.

Signature of research participant
